OUR SERVICES

In our 9 years of business we have appeared on TV, been in the National Press, worked with TV personalities, appeared in high end magazines and contributed to expert panels. We have also won awards for our Unique Bars as well as our Service.

Away from the bright lights, our main focus is on our clients & providing an exceptional service from the start to the end of the journey with us.

Our bars range from our handsome Horsebox Hunter with his different set up options to Bluebelle our vintage Sailboat bar (no water necessary).

Festivals, Corporate, Indoors, outdoors, big or small we have something for everyone. We even deliver and post out our cocktails!

We have a great bar team on hand to support you on event days as well as myself overseeing all the details
